The RNAA may request, by random selection, the verification of qualifying yields by production of NMR certificate before prizes are paid. 4. CHAMPIONSHIP & SPECIAL PRIZES

An animal that is individually entered in and eligible for an appropriate class in the Prize Schedule may compete without payment of further fee for any Championship or Special Prize for which it is eligible subject to the following conditions:

- a. A Championship Prize, under that heading in the Prize Schedule, shall be for the Best Exhibit or the Best Male or Female of one breed or, where applicable, of more than one breed, or the Best Inter-breed Group of animals. Entry for a Championship Prize is automatic and is not required on the entry form.
- b. **Prize Money will be withheld if prize winning animals fail to come forward in the Championships, Special Classes or Parades for which they qualify.**

5. CORRECTNESS OF ENTRY

- a. Every exhibitor will be held responsible for the correctness of their entry. If, when called upon to prove its correctness, they fail to do so, the entry in question will not be accepted or if already accepted may be cancelled or the exhibit may be disqualified and any award to it cancelled.
- b. If it shall be proved to the satisfaction of the Council, whose decision shall be final, that an exhibitor or competitor has quoted an incorrect date or has attempted to obtain a prize by any other unfair means the matter shall be dealt with under Regulation 25 (Penalties etc.)

6. RIGHT TO REFUSE OR CANCEL ENTRY

- a. The Association may refuse any entry, or cancel any entry already accepted, without any reason for doing so and reserves the right to refuse entries from any person who is under exclusion or suspension by any Breed, Livestock or Show organisation.
- b. Whenever, under this Regulation, an entry is refused or cancelled, or an exhibit is refused admission or removed, the fees paid for any such exhibit may, at the discretion of the Council, be refunded and, if refunded, shall be accepted by the exhibitor or intending exhibitor in full satisfaction of all claims against the Association.

7. OWNERSHIP OF EXHIBITS

- a. All exhibits must be bona fide property of the owner, whose name appears in the Show catalogue on the date appointed for the reservation of standings and pens and the closing of entries, and must remain in that ownership at the date of the Show, excepting only, as may be provided for in the Rules of any breed society or similar body, by which the classes are decreed to be regulated.
- b. An owner shall furnish proof of his bona fide ownership if called upon to do so, and if he/she fails to satisfy the Council he/she shall be disqualified from receiving any prize. In the event of death of an owner between the date of entry and the date of the show the executors or personal representatives of the deceased will be deemed to be the owners.

8. AGE AND PEDIGREE OF EXHIBITS

- a. The pedigree and date of birth of each animal must be stated, where required on the appropriate entry form, except that in the case of horses (other than foals) and sheep the year of birth only is required and in the commercial pig classes no date of birth is required.
- b. In case of doubt or protest, a certificate of age issued by one of the RNAA's appointed Veterinary Inspectors may be called for, and the decision of that Inspector shall be final. Where necessary, the age of an exhibit will be calculated to the first day of the Show, and any reference to months of age shall relate to calendar months.

9. CANCELLATION OR AMALGAMATION OF CLASSES/RING CHANGES

- a. The Council reserves the right to cancel any class or to amalgamate any classes. Where classes are cancelled any entry fees paid will automatically be refunded.
- b. If a ring change is required competitors will be notified in their packs. Rings are allocated based on the number of equine entries and to meet the requirements of the class to ensure the best possible showing conditions.

10. ARRIVAL AND ACCOMMODATION OF EXHIBITS

- a. Exhibitors are responsible to ensure that all stock are placed and secured in the accommodation provided. The stalling of the stock will be deemed to confirm the exhibitor's approval of the adequacy and safety of the accommodation to secure the stock.
- b. All livestock must be on the Showground before their appointed time on Tuesday before the Show, as written in individual conditions. All livestock must be in their place at 8am on the first day of the Show, unless otherwise stated in the Prize Schedule.
- c. Where accommodation is provided, either automatically or at the exhibitor's request, stock must stand in the boxes, stalls or pens, in accordance with the number allotted and displayed. Any exhibitor found guilty, either personally or through their stock assistants, of entering or taking possession of a box, pen or stall, or of interfering with the numbers erected on boxes, stalls or pens without the written authority of the Chairman of the Show Committee, will be liable to the cancellation of all their entries at the Show, may forfeit any prize money won and be dealt with in accordance with Regulation 25 (Penalties etc.)

11. REMOVAL OF HORSE BOXES, VANS, CRATES ETC.

- a. All horse boxes and livestock vehicles shall be parked in the empties parks or authorised parking positions on arrival, or immediately after unloading of stock. **No vehicle may be left standing within the Showground, its avenues or stock lines.**
- b. Any exhibitor who either personally, or through anyone acting on their behalf, fails to comply with vehicle parking regulations or the directions of the stewards will be liable to the cancellation of their entries and risks forfeiting any prize money.

12. ANIMAL HEALTH

- a. Details of relevant Animal Health Regulations are contained within this Prize Schedule. In all classes, animals must be free from clinical signs of disease, injury or physical abnormality.
- b. Animals suffering from any form of infectious or contagious disease, including ringworm or any other form of infectious or contagious skin ailment, must not be brought to the Show.
- c. All exhibitors must ensure that they comply fully with The 2007 EU Welfare in Transport Regulation (EC) No. 1/2005.
- d. Mammals shall not be considered fit for transport if they:
 - i) Are unfit animals (see DEFRA website Annex 1 Chapter 1 of Council Regulation 1/2005).
 - ii) Are pregnant female animals that have reached the latest stage of gestation (within 10% of the estimated time of the gestation before birth) and for a period of one week after giving birth.
 - iii) Are very young animals except if the journey is less than 100 km, e.g. calves of less than 10 days of age, pigs less than 3 weeks of age and lambs of less than one week.
 - iv) Calves of less than 14 days of age on journeys exceeding 8 hours will not be permitted.

13. VETERINARY EXAMINATION

- a. All livestock may be inspected by one of the RNAA's appointed Veterinary Inspectors, who are authorised to exclude any animal from the Showground or place in quarantine, if in the opinion of that official, it is affected with any complaint or disease which is likely to prove dangerous to other animals.
- b. The Veterinary Inspector shall give a certificate of the reason for such action to the person in charge of the animal and the exhibitor shall be liable to pay to the RNAA up to £50 for liquidated damages for each animal, if more than one. It is a condition of entry that the RNAA's Veterinary Officers may, on their own authority, give such emergency treatment as they may consider appropriate in the event that the owner or his/her representative cannot be found. Exhibitors will be liable to pay for all drugs/treatment used by the RNAA's Veterinary Officers in the treatment of their animals.
- c. **Passports:** An equine passport, containing an up-to-date vaccination (equine influenza) record, must accompany every horse (including ponies, donkeys and other equine) attending The Royal Norfolk Show. Random checks by The Association's Veterinary Officers will be made before and during the Show.

14. MALPRACTICES

- a. Any artificial contrivance or device of any description found on or proved to have been on/in an animal at any time, either for preventing the flow of milk or for any other improper purpose, will disqualify that animal from being awarded a prize and the owner of the animal may be prohibited from entering stock at future events.
- b. The term 'improper practice' shall be held to include, setting of teats and generally any other practice which results in the animals being shown other than in a natural state, and the RNAA reserves the right to have all animals inspected by the Senior Veterinary Officer either prior to, during or after judging or at any other time whilst on the Showground.

15. JUDGING AND AWARDS

- a. The Judges are instructed to withhold any Prize where the entry is not of sufficient merit, and in awarding prizes in pedigree classes, to decide according to the relative merits of the animals for breeding purposes.
- b. The Council reserves the right to substitute other Judges for those announced in the Prize Schedule or to make additional appointments.

16. JUDGING AND IMPARTIALITY

The RNAA seeks to ensure that all its exhibitors are judged fairly and that there is no bias or favouritism. This is only achievable if owners, producers, riders, handlers and judges consider and observe the following rules.

An animal may not be exhibited in a class or final where the animal or its owner, producer, rider or handler has one of the following, or similar, connections with the judge as listed below. If the animal has been under the ownership or production of any person for whom the judge, his/her partner or business partner has provided or obtained livery or had any other connection (business or otherwise) in the 12 months prior to the Show. If the animal is or has been owned, bred, produced, trained or exhibited by the judge, a relative, business partner or partner. If the animal is owned or produced by a person from whom the judge has purchased animals or to whom he/she sold animals in the 12 months prior to the Show in which he/she is judging.

Also, no pony will be eligible for the final if the breeder or previous owners will be judging the final.

Note: The definition of a Professional Producer/Trainer is: A person who undertakes the preparation and/or production of animals belonging to other exhibitors for the show ring including at a show. A producer is someone who has an animal on their yard to show for the client and therefore has a financial interest.

The onus is on the exhibitor to consider any connections they may have with the judge and stand down in any class, championship or final where they and other exhibitors may consider them showing under a particular judge to be a non-professional association.

17. PROTESTS

- a. Any person wishing to make a protest shall do so in writing, and lodge it at the RNAA's Office with a deposit of £50.
