 - iv) Calves of less than 14 days of age on journeys exceeding 8 hours will not be permitted.

13. VETERINARY EXAMINATION

- a. - b. The Veterinary Inspector shall give a certificate of the reason for such action to the person in charge of the animal and the exhibitor shall be liable to pay to the RNAA up to £50 for liquidated damages for each animal, if more than one. It is a condition of entry that the RNAA's Veterinary Officers may, on their own authority, give such emergency treatment as they may consider appropriate in the event that the owner or his/her representative cannot be found. Exhibitors will be liable to pay for all drugs/treatment used by the RNAA's Veterinary Officers in the treatment of their animals.
- c. **Passports:** An equine passport, containing an up-to-date vaccination (equine influenza) record, must accompany every horse (including ponies, donkeys and other equine) attending The Royal Norfolk Show. Random checks by The Association's Veterinary Officers will be made before and during the Show.

14. MALPRACTICES

- a. Any artificial contrivance or device of any description found on or proved to have been on/in an animal at any time, either for preventing the flow of milk or for any other improper purpose, will disqualify that animal from being awarded a prize and the owner of the animal may be prohibited from entering stock at future events.
- b. The term 'improper practice' shall be held to include, setting of teats and generally any other practice which results in the animals being shown other than in a natural state, and the RNAA reserves the right to have all animals inspected by the Senior Veterinary Officer either prior to, during or after judging or at any other time whilst on the Showground.

15. JUDGING AND AWARDS

- a. The Judges are instructed to withhold any Prize where the entry is not of sufficient merit, and in awarding prizes in pedigree classes, to decide according to the relative merits of the animals for breeding purposes.
- b. The Council reserves the right to substitute other Judges for those announced in the Prize Schedule or to make additional appointments.

16. JUDGING AND IMPARTIALITY

The RNAA seeks to ensure that all its exhibitors are judged fairly and that there is no bias or favouritism. This is only achievable if owners, producers, riders, handlers and judges consider and observe the following rules.

An animal may not be exhibited in a class or final where the animal or its owner, producer, rider or handler has one of the following, or similar, connections with the judge as listed below. If the animal has been under the ownership or production of any person for whom the judge, his/her partner or business partner has provided or obtained livery or had any other connection (business or otherwise) in the 12 months prior to the Show. If the animal is or has been owned, bred, produced, trained or exhibited by the judge, a relative, business partner or partner. If the animal is owned or produced by a person from whom the judge has purchased animals or to whom he/she sold animals in the 12 months prior to the Show in which he/she is judging.

Also, no pony will be eligible for the final if the breeder or previous owners will be judging the final.

Note: The definition of a Professional Producer/Trainer is: A person who undertakes the preparation and/or production of animals belonging to other exhibitors for the show ring including at a show. A producer is someone who has an animal on their yard to show for the client and therefore has a financial interest.

The onus is on the exhibitor to consider any connections they may have with the judge and stand down in any class, championship or final where they and other exhibitors may consider them showing under a particular judge to be a non-professional association.

17. PROTESTS

- a. Any person wishing to make a protest shall do so in writing, and lodge it at the RNAA's Office with a deposit of £50. If, on investigation the protest is not sustained to the satisfaction of the RNAA's Chairman of the Executive or an officer nominated to act on his behalf, the deposit may be forfeited to the funds of the Association.
- b. A protest must be lodged before 6pm on the day of the occurrence to which it relates. Protests concerning a prize or award must be lodged within two hours of the award being made. Out of time protests will not be considered unless a satisfactory reason for the delay can be established.

18. AWARDS AND ROSETTES

- a. No animal will be allowed to wear rosettes or ribbons other than those issued by the Association and awarded at the current year's Show.
- b. In the case of any protest, whereby any prize animal becomes disqualified, the winner of the next succeeding prize in that Class, or the animal placed reserve for any Championship or Special Prize shall take the prize that had been awarded to such disqualified animal and the lowest prize in the class shall go to the reserve number, if any.
- c. In all cases where prizes are offered or awarded conditionally, they may be withheld until the exhibitor shall have proved to the satisfaction of the Council that the conditions have been complied with.

19. CONDUCT OF EXHIBITORS AND THEIR STOCK ATTENDANTS

- a. No one will be allowed in Judging Rings whilst livestock is being judged except Officials of the Association and those in charge of exhibits. People in charge of exhibits must be suitably attired and are not permitted to smoke, drink, eat or chew when in a judging ring.
- b. Exhibitors or their Stock attendants may not light cooking stoves on the Showground, nor create any circumstances which may result in the outbreak of fire, for which they will be held responsible. The unauthorised offer of goods for sale in the livestock lines, vehicle parks or anywhere else on the Showground is strictly forbidden, and will automatically disqualify any entries from all concerned.
- c. An exhibitor or his handler who is responsible for an infringement of the regulations or misconduct, or any exhibitor or member of the general public who conducts himself in an improper or offensive manner, to any Judge, Member of Council, Steward or official appointed by the Association will be reported to the Chief Executive/Show Director. He/she may be refused entry to the Showground and may not be allowed to compete in any class or competition that he/she may have entered for the show or possibly any future Shows.

20. PARADES AND DISPLAY

- a. It is a condition of entry that all prize-winning animals will be paraded, shown or displayed in accordance with these Regulations, the programme of events, and the instructions of the Chairman of the Executive and Stewards. **Prize money will be withheld if prize winning animals fail to parade when required to do so.**

21. PEOPLE IN CHARGE OF EXHIBITS

- a. **Exhibitors of Livestock shall provide an adequate number of people to take charge of his or her stock while at the Show** and one person for each animal during Judging or a Parade. These individuals shall be competent in the management of the stock and conscious of the exhibitor's responsibility and liability for any accident or injury caused by the stock, and the failure to exercise adequate control. The right is reserved to order the removal of any animal deemed dangerous or out of control.
- b. Those in charge of exhibits will be subject to the orders and directions of the Chairman of the Executive, Stewards and Secretary. Exhibitors and their stock attendants will be expected to act with due courtesy at all times, and if guilty of improper behaviour before a Judge or at any other time, shall be liable to disqualification of all entries and withdrawal of prizes won.
- c. Stock attendants must be present each day of the Show and be available at least half an hour before the time appointed for the examination, judging or parade of the animals under their charge. No person will be allowed to take any animal from its standing or pen except for the aforesaid purposes and no rug or cloth shall be hung up or allowed to remain up so as to conceal any animal during the time the Show is open to the public without special permission of the Steward of the Department.

22. DEPARTURE OF EXHIBITS & REMOVAL ORDERS

- a. No livestock may be removed from its place on the Showground before the authorised time of departure stated beneath the Breed and Section headings in the Prize Schedule, without the special permission of the Chairman of the Executive or Secretary in writing. This will be given, normally only on a certificate from one of the Association Veterinary Inspectors, stating that it is desirable that the animals should be removed on veterinary grounds. Where stock is removed before the appointed time the Association reserves the right to withhold payment of Prize Money and to refuse entries for future shows.

23. ADMISSION TICKETS AND INSTRUCTIONS

- a. Free admission tickets in appropriate numbers will be issued to exhibitors and their stock attendants on the Showground in charge of livestock. These tickets (which are not transferable) and for which the exhibitor will be held responsible for the proper use, will be sent to the exhibitor with instructions before the Show.
- b. **In the case of transfer, or other improper use, the exhibitor will be dealt with under Regulation 25 (Penalties etc.)**

24. RESPONSIBILITY, ETC.

- a. **The Association, its officers or staff shall not be responsible for any person while on the Association's Showground or Car Parks or while entering or leaving. Nor for any damage or loss, however caused, to the property, livestock, or of any person or for any injury, fatal or otherwise. The Association will not be held responsible for actions, suits, expenses, and claims on account of damage or injury which may be caused.**
- b. Exhibitors shall be held responsible for the behaviour of their stock attendants, the consequences of any negligence or misconduct and for any penalties imposed. Each exhibitor shall be solely responsible for any loss, injury, or damage that may be done to or arising from any livestock, article or property exhibited or brought on to the Showground.
- c. **Exhibitors are advised to insure against fire and other appropriate risks; not only their own property but also against third party claims.**
- d. The use of Trailers, Horseboxes and other vehicles as sleeping accommodation is not authorized unless vehicles are fitted for this purpose.

25. PENALTIES, RECOVERY OF FINES ETC.

- a. Any infringement of these Regulations shall be dealt with by the Council or, with the authority of that body, by its Chairman of the Executive, and may result in a fine up to £100 for each infringement. All fines, fees, and charges shall be recoverable by the Secretary, and until payment is made, persons owing them shall be prohibited from exhibiting at the Association's Shows.
- b. All people, livestock and articles entering the Showground or Car Parks shall be subject to the orders, rules and regulations of the Council and of any officer appointed by them. The Stewards have power to order any livestock, article or person who does not conform to the regulations of the Association or the directions of the Stewards, to leave or to be taken from the Showground or Car Park.
- c. The Association reserves the right to interpret these or any other prescribed conditions and regulations and settle and determine all matters, questions, or differences connected with the Shows. The right is also reserved to postpone or abandon the Show, and relax conditions or regulations, as the Association may deem expedient.
