- b. The appropriate fee(s) as specified in the Prize Schedule are paid in full by the entry closing date. No fee(s) for which a receipt has been issued by the Show Office are returnable except under Regulations 6 (Refuse or Cancel) and 9 (Amalgamation).

2. ENTRIES IN CLASSES

- a. All Classes are open except where otherwise stated in the Prize Schedule. Classes and Special Prizes restricted to a Norfolk exhibitor are open only to animals owned by an exhibitor occupying land and/or premises in Norfolk, on which the animal has lived for at least three months up to the date of the Show.
- b. The same animal may be entered in more than one class where eligible.

3. DATA PROTECTION (GDPR)

- a. All data given upon entry of all classes to the RNAA may be provided to various Breed Societies and etc for checking eligibility and publication of results. Please refer to our website rnaa.org.uk/privacy-policy for our full Privacy Policy statement.
- b. By providing data you are giving permission for that data to be stored on RNAA systems and databases.

4. CHAMPIONSHIP & SPECIAL PRIZES

An animal that is individually entered in and eligible for an appropriate class in the Prize Schedule may compete without payment of further fee for any Championship or Special Prize for which it is eligible subject to the following conditions:

- a. A Championship Prize, under that heading in the Prize Schedule, shall be for the Best Exhibit or the Best Male or Female of one breed or, where applicable, of more than one breed, or the Best Inter-breed Group of animals. Entry for a Championship Prize is automatic and is not required on the entry form.
- b. **Prize Money will be withheld if prize winning animals fail to come forward in the Championships, Special Classes or Parades for which they qualify.**

5. CORRECTNESS OF ENTRY

- a. Every exhibitor will be held responsible for the correctness of their entry. If, when called upon to prove its correctness, they fail to do so, the entry in question will not be accepted or if already accepted may be cancelled or the exhibit may be disqualified and any award to it cancelled.
- b. If it shall be proved to the satisfaction of the Council, whose decision shall be final, that an exhibitor or competitor has quoted an incorrect date or has attempted to obtain a prize by any other unfair means the matter shall be dealt with under Regulation 25 (Penalties etc).

6. RIGHT TO REFUSE OR CANCEL ENTRY

- a. The Association may refuse any entry, or cancel any entry already accepted, without any reason for doing so and reserves the right to refuse entries from any person who is under exclusion or suspension by any Breed, Livestock or Show organisation.
- b. Whenever, under this Regulation, an entry is refused or cancelled, or an exhibit is refused admission or removed, the fees paid for any such exhibit may, at the discretion of the Council, be refunded and, if refunded, shall be accepted by the exhibitor or intending exhibitor in full satisfaction of all claims against the Association.

7. OWNERSHIP OF EXHIBITS

- a. All exhibits must be bona fide property of the owner, whose name appears in the Show catalogue on the date appointed for the reservation of standings and pens and the closing of entries, and must remain in that ownership at the date of the Show, excepting only, as may be provided for in the Rules of any breed society or similar body, by which the classes are decreed to be regulated.
- b. An owner shall furnish proof of his bona fide ownership if called upon to do so, and if he/she fails to satisfy the Council he/she shall be disqualified from receiving any prize. In the event of death of an owner between the date of entry and the date of the show the executors or personal representatives of the deceased will be deemed to be the owners.

8. AGE AND PEDIGREE OF EXHIBITS

- a. The pedigree and date of birth of each animal must be stated, where required on the appropriate entry form, except that in the case of horses (other than foals) and sheep the year of birth only is required and in the commercial pig classes no date of birth is required.
- b. In case of doubt or protest, a certificate of age issued by one of the RNAA's appointed Veterinary Inspectors may be called for, and the decision of that Inspector shall be final. Where necessary, the age of an exhibit will be calculated to the first day of the Show, and any reference to months of age shall relate to calendar months.

9. CANCELLATION OR AMALGAMATION OF CLASSES/RING CHANGES

- a. The Council reserves the right to cancel any class or to amalgamate any classes. Where classes are cancelled any entry fees paid will automatically be refunded.
- b. If a ring change is required competitors will be notified in their packs. Rings are allocated based on the number of equine entries and to meet the requirements of the class to ensure the best possible showing conditions.

10. ARRIVAL AND ACCOMMODATION OF EXHIBITS

- a. Exhibitors are responsible to ensure that all stock are placed and secured in the accommodation provided. The stalling of the stock will be deemed to confirm the exhibitor's approval of the adequacy and safety of the accommodation to secure the stock.
- b. All livestock must be on the Showground before their appointed time on Tuesday before the Show, as written in individual conditions. All livestock must be in their place at 8am on the first day of the Show, unless otherwise stated in the Prize Schedule.
- c. Where accommodation is provided, either automatically or at the exhibitor's request, stock must stand in the boxes, stalls or pens, in accordance with the number allotted and displayed. Any exhibitor found guilty, either personally or through their stock assistants, of entering or taking possession of a box, pen or stall, or of interfering with the numbers erected on boxes, stalls or pens without the written authority of the Chairman of the Show Committee, will be liable to the cancellation of all their entries at the Show, may forfeit any prize money won and be dealt with in accordance with Regulation 25 (Penalties etc).

11. REMOVAL OF HORSE BOXES, VANS, CRATES ETC.

- b. Animals suffering from any form of infectious or contagious disease, including ringworm or any other form of infectious or contagious skin ailment, must not be brought to the Show.
- c. All exhibitors must ensure that they comply fully with The 2007 EU Welfare in Transport Regulation (EC) No. 1/2005.
- d. The Royal Norfolk Agricultural Association expects all exhibitors to observe best practice at all times.
- e. Mammals shall not be considered fit for transport if they:
 - i) Are unfit animals (see DEFRA website Annex 1 Chapter 1 of Council Regulation 1/2005).
 - ii) Are pregnant female animals that have reached the latest stage of gestation (within 10% of the estimated time of the gestation before birth) and for a period of one week after giving birth.
 - iii) Are very young animals except if the journey is less than 100 km, e.g. calves of less than 10 days of age, pigs less than 3 weeks of age and lambs of less than one week.
 - iv) Calves of less than 14 days of age on journeys exceeding 8 hours will not be permitted.

13. VETERINARY EXAMINATION

- a. All livestock may be inspected by one of the RNAA's appointed Veterinary Inspectors, who are authorised to exclude any animal from the Showground or place in quarantine, if in the opinion of that official, it is affected with any complaint or disease which is likely to prove dangerous to other animals.
- b. The Veterinary Inspector shall give a certificate of the reason for such action to the person in charge of the animal and the exhibitor shall be liable to pay to the RNAA up to £50 for liquidated damages for each animal, if more than one. It is a condition of entry that the RNAA's Veterinary Officers may, on their own authority, give such emergency treatment as they may consider appropriate in the event that the owner or his/her representative cannot be found. Exhibitors will be liable to pay for all drugs/treatment used by the RNAA's Veterinary Officers in the treatment of their animals.

- c. **Passports:** An equine passport, containing an up-to-date vaccination (equine influenza) record, must accompany every horse (including ponies, donkeys and other equine) attending The Royal Norfolk Show. Random checks by The Association's Veterinary Officers will be made before and during the Show.

14. MALPRACTICES

- a. Any artificial contrivance or device of any description found on or proved to have been on/in an animal at any time, either for preventing the flow of milk or for any other improper purpose, will disqualify that animal from being awarded a prize and the owner of the animal may be prohibited from entering stock at future events.
- b. The term 'improper practice' shall be held to include, setting of teats and generally any other practice which results in the animals being shown other than in a natural state, and the RNAA reserves the right to have all animals inspected by the Senior Veterinary Officer either prior to, during or after judging or at any other time whilst on the Showground.

15. JUDGING AND AWARDS

- a. The Judges are instructed to withhold any Prize where the entry is not of sufficient merit, and in awarding prizes in pedigree classes, to decide according to the relative merits of the animals for breeding purposes.
- b. The Council reserves the right to substitute other Judges for those announced in the Prize Schedule or to make additional appointments.

16. JUDGING AND IMPARTIALITY

- a. The RNAA seeks to ensure that all its exhibitors are judged fairly and that there is no bias or favouritism. This is only achievable if owners, producers, riders, handlers and judges consider and observe the following rules.
- b. An animal may not be exhibited in a class or final where the animal or its owner, producer, rider or handler has one of the following, or similar, connections with the judge as listed below.
- c. If the animal has been under the ownership or production of any person for whom the judge, his/her partner or business partner has provided or obtained livery or had any other connection (business or otherwise) in the 12 months prior to the Show.
- d. If the animal is or has been owned, bred, produced, trained or exhibited by the judge, a relative, business partner or partner.
- e. If the animal is owned or produced by a person from whom the judge has purchased animals or to whom he/she sold animals in the 12 months prior to the Show in which he/she is judging.
- f. Also, no pony will be eligible for the final if the breeder or previous owners will be judging the final.
- g. **Note:** The definition of a Professional Producer/Trainer is: A person who undertakes the preparation and/or production of animals belonging to other exhibitors for the show ring including at a show. A producer is someone who has an animal on their yard to show for the client and therefore has a financial interest.
- h. **The onus is on the exhibitor** to consider any connections they may have with the judge and stand down in any class, championship or final where they and other exhibitors may consider them showing under a particular judge to be a non-professional association.

17. PROTESTS

- a. Any person wishing to make a protest shall do so in writing, and lodge it at the RNAA's Office with a deposit of £50. If, on investigation the protest is not sustained to the satisfaction of the RNAA's Chief Executive Officer or an officer nominated to act on his behalf, the deposit may be forfeited to the funds of the Association.
- b. A protest must be lodged before 6pm on the day of the occurrence to which it relates. Protests concerning a prize or award must be lodged within two hours of the award being made. Out of time protests will not be considered unless a satisfactory reason for the delay can be established.

18. AWARDS AND ROSETTES

- a. No animal will be allowed to wear rosettes or ribbons other than those issued by the Association and awarded at the current year's Show.
- b. In the case of any protest, whereby any prize animal becomes disqualified, the winner of the next succeeding prize in that Class, or the animal placed reserve for any Championship or Special Prize shall take the prize that had been awarded to such disqualified animal and the lowest prize in the class shall go to the reserve number, if any.
- c. In all cases where prizes are offered or awarded conditionally, they may be withheld until the exhibitor shall have proved to the satisfaction of the Council that the conditions have been complied with.

19. CONDUCT OF EXHIBITORS AND THEIR STOCK ATTENDANTS

- a. No one will be allowed in Judging Rings whilst livestock is being judged except Officials of the Association and those in charge of exhibits. People in charge of exhibits must be suitably attired and are not permitted to smoke, drink, eat or chew when in a judging ring.
- b. Exhibitors or their Stock attendants may not light cooking stoves on the Showground, nor create any circumstances which may result in the outbreak of fire, for which they will be held responsible. The unauthorised offer of goods for sale in the livestock lines, vehicle parks or anywhere else on the Showground is strictly forbidden, and will automatically disqualify any entries from all concerned.
- c. An exhibitor or his/her handler who is responsible for an infringement of the regulations or misconduct, or any exhibitor or member of the general public who conducts himself/herself in an improper or offensive manner, to any Judge, Member of Council, Steward or official appointed by the Association will be reported to the Chief Executive Officer/Show Director. He/she may be refused entry to the Showground and may not be allowed to compete in any class or competition that he/she may have entered for the show or possibly any future Shows.
- d. **CONDUCT AND DISCIPLINE** - The RNAA will not condone any form of abusive behaviour whatsoever; in or outside of the show ring before, during or after the event: this includes intimidation, bullying, harassment and any form of communication that is deemed to be aggressive, damaging or inappropriate to judges or fellow exhibitors. Any Competitor found to be under the influence of drugs or intoxicated whilst in the ring will be disqualified from the competition and asked to leave the ring.

20. PARADES AND DISPLAY

- a. It is a condition of entry that all prize-winning animals will be paraded, shown or displayed in accordance with these Regulations, the programme of events, and the instructions of the Chairman of the Executive and Stewards. **Prize money will be withheld if prize winning animals fail to parade when required to do so.**

These individuals shall be competent in the management of the stock and conscious of the exhibitor's responsibility and liability for any accident or injury caused by the stock, and the failure to exercise adequate control. The right is reserved to order the removal of any animal deemed dangerous or out of control.
- b. Those in charge of exhibits will be subject to the orders and directions of the Chief Executive Officer, Stewards and Secretary. Exhibitors and their stock attendants will be expected to act with due courtesy at all times, and if guilty of improper behaviour before a Judge or at any other time, shall be liable to disqualification of all entries and withdrawal of prizes won.
- c. Stock attendants must be present each day of the Show and be available at least half an hour before the time appointed for the examination, judging or parade of the animals under their charge. No person will be allowed to take any animal from its standing or pen except for the aforesaid purposes and no rug or cloth shall be hung up or allowed to remain up so as to conceal any animal during the time the Show is open to the public without special permission of the Steward of the Department.

22. DEPARTURE OF EXHIBITS & REMOVAL ORDERS

- a. No livestock may be removed from its place on the Showground before the authorised time of departure stated beneath the Breed and Section headings in the Prize Schedule, without the special permission of the Chairman of the Executive or Secretary in writing. Where stock is removed before the appointed time the Association reserves the right to withhold payment of Prize Money and to refuse entries for future shows.

23. ADMISSION TICKETS AND INSTRUCTIONS

- a. Free admission tickets in appropriate numbers will be issued to exhibitors and their stock attendants on the Showground in charge of livestock. These tickets (which are not transferable) and for which the exhibitor will be held responsible for the proper use, will be sent to the exhibitor with instructions before the Show.
- b. **In the case of transfer, or other improper use, the exhibitor will be dealt with under Regulation 25 (Penalties etc).**

24. RESPONSIBILITY, ETC.

- a. **The Association, its officers or staff shall not be responsible for any person while on the Association's Showground or Car Parks or while entering or leaving. The Association will not be held responsible for actions, suits, expenses, and claims on account of damage or injury which may be caused.**
- b. Exhibitors shall be held responsible for the behaviour of their stock attendants, the consequences of any negligence or misconduct and for any penalties imposed. Each exhibitor shall be solely responsible for any loss, injury, or damage that may be done to or arising from any livestock, article or property exhibited or brought on to the Showground.
- c. **Exhibitors are advised to insure against fire and other appropriate risks; not only their own property but also against third party claims.**
- d. The use of Trailers, Horseboxes and other vehicles as sleeping accommodation is not authorized unless vehicles are fitted for this purpose.

25. PENALTIES, RECOVERY OF FINES ETC.

- a. Any infringement of these Regulations shall be dealt with by the Council or, with the authority of that body, by its Chief Executive Officer, and may result in a fine up to £100 for each infringement. All fines, fees, and charges shall be recoverable by the Secretary, and until payment is made, persons owing them shall be prohibited from exhibiting at the Association's Shows.
- b. All people, livestock and articles entering the Showground or Car Parks shall be subject to the orders, rules and regulations of the Council and of any officer appointed by them. The Stewards have power to order any livestock, article or person who does not conform to the regulations of the Association or the directions of the Stewards, to leave or to be taken from the Showground or Car Park.
- c. The Association reserves the right to interpret these or any other prescribed conditions and regulations and settle and determine all matters, questions, or differences connected with the Shows. The right is also reserved to postpone or abandon the Show, and relax conditions or regulations, as the Association may deem expedient.
